## Manutenção | Informação

Um tapete em Pele é um produto exclusivo e de carácter único. Contudo, requer cuidados especiais, não sendo por isso recomendada a sua utilização e, áreas de uso intensivo, facto que poderá danificar a peça de forma definitiva.

As peles devem ser apenas aspiradas e escovadas com escova de cerdas macias, em movimentos regulares e no sentido do pêlo, de forma a manter as mesmas limpas de pó e sujidade. Também poderá ser utilizado um pano levemente humedecido numa solução de água e sabão para a remoção de sujidade mais entranhada. Para uma manutenção regular, utilizar a mesma técnica, mas apenas com água e um pouco de vinagre, que ajudará a manter o pêlo com aspecto mais brilhante devido a regularização do PH.

Alguns conselhos de utilização e manutenção:

- Nunca lavar a pele, nem molhá-la na totalidade.
- Nunca escovar as peles estampadas.
- Nunca usar álcool ou solvente para limpeza da pele.
- Evitar a exposição ao sol e/ou luzes muito intensas.
- Evitar colocar a pele em locais sujos ou de elevado grau de humidade.
- Evitar limpar a pele com materiais abrasivos, como escovas decerdas duras ou esponjas abrasivas.
- Evitar limpar a pele com equipamentos de limpeza a vapor.

A garantia não abrange o desgaste causado pelo uso normal, cortes ou danos causados acidentalmente ou indirectos, uso doloso ou negligente, ou limpeza com produtos ou métodos impróprios.

## Maintenance | Information

A leather rug is an exclusive and unique product. It requires special care, and is not recommended to be placed in areas of intensive use, which can damage the product permanently.

The hides should only be vacuumed and brushed with a soft bristle brush, with regular movements following the direction of the hair, to keep them clean from dust and dirt. A slightly dampened cloth, in water and mild soap, can also be used to remove any dirt that is more ingrained. For regular maintenance, use this same technique with a mixture of water and a little vinegar, which keeps the hair of the hide clean and shiny, due to the regularization of its PH.

Some additional advice for use and maintenance:

- Never wash the skin or wet it entirely.
- Never brush the hides which have printed motifs.
- Never use alcohol or solvents to clean the skin.
- Avoid exposure to direct sunlight and/ or very intensive lights.
- Prevent placing the hide in dirty places or with high humidity levels.
- Do not clean your leather carpet with steam cleaning equipments.

The warranty does not cover normal wear and tear, cuts or any other damage caused accidentally or indirectly by negligent or intentional misuse, or as a consequence of cleaning with inappropriate products and methods.
